1. An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

2. The Amendment filed November 28, 2005 in response to the Office Action of July 28, 2005 is acknowledged and has been entered. Previously pending claims 8 and 10 were amended. Claims 8-10, 12-13, 38-41 are currently under prosecution.

3. The application has been amended as follows:

In the claims:

Claim 38 was amended as follows: in section (b) after "biological sample" the phrase --compared to control,-- was inserted

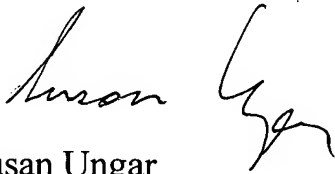

Claims 8-10, 12-13 were canceled, per the telephone interview of February 28, 2006.

It is noted that Applicant's response filed November 28, 2005 placed the application in condition for allowance based on the record at that time. The Examiner's Amendment is made in lieu of reopening prosecution in order to remedy informalities which were brought to Applicant's attention for the first time in the telephone Interview of February 28, 2006. Accordingly, no further extension of time is required to make the Examiner's Amendment which places the Application fully in condition for allowance.

Authorization for this Examiner's Amendment of the claims was given in a telephone interview with Joseph Skerpon on May 3, 2006.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susan Ungar, PhD whose telephone number is (571) 272-0837. The examiner can normally be reached on Monday through Friday from 7:30am to 4pm.
